Junior Cain felt as if his heart had been lanced by a needle so thin that the muscle still contracted rhythmically but painfully around it. She did? She. . . she wrote that?" "The princess is correct," he acknowledged, revealing that this hand was still empty. Then he reached to the girl and plucked the quarter from her ear..And the irony of ironies: With her talent deepening to a degree that she had never dared hope it would, with collectors responding to her vision to an extent she had never imagined possible, with her goals already exceeded, and with great vistas of possibility opening before her, she would throw it all away with some

regret but with no bitterness if required to choose between art and Angel, for the child had proved to be the greater blessing. Phimie was gone, but Phimie's spirit fed and watered her sister's life, bringing forth a great abundance. Outside, he realized he hadn't paid for his juice and waffles. When he turned back to the coffee shop, he saw, through one of the windows, an associate of Salk's picking up the check from his table. Junior could only imagine how flattered Victoria would be to receive the attentions of a twenty-three-year-old stud, flattered and grateful. When he contemplated all the ways she could express that gratitude, there was barely enough room behind the wheel of the Suburban for him and his manhood. Neither Agnes nor Edom knew of Jacob's great skill with cards. He had been discreet about his apprenticeship with Obadiah, and for almost twenty years, he'd resisted the urge to dazzle his siblings with his expertise. "But what made you choose that life? You must have committed to the seminary awfully young." By comparison, the strip club-neon aglow, theater lights twinkling---looked warm, cozy. Welcoming. Tears burst from Junior, stinging torrents, a salt sea of grief that blurred his vision and bathed his face in brine. "Get out of here, you disgusting, sick son of a bitch," he demanded, his voice simultaneously shaking with sorrow and twisted by righteous anger. "Get out of here now, get out!" Although Celestina felt a little paranoid, being so security-minded in this safe neighborhood, nevertheless she searched, out the master control button and engaged the power locks. "Did he say I'd met him?" Jacob asked, squinting past Edom toward the bright sunlight at the open door. He met her eyes, but at once shifted his gaze to the porch floor again. "I've come to say ... how sorry I am, how miserably sorry." Here, now, came the anaconda smile. "Did you argue about the baby, Enoch? Maybe she wanted it, and you didn't. Guy like you--a baby would cramp your style. Too much responsibility." Shortly after nine-thirty in the morning, they landed in Eugene, and the cab driver who conveyed Junior to the town's largest shopping center spent more time staring at his afflicted passenger in the rearview mirror than he did watching the road. Junior got out of the taxi and paid through the driver's open window. The cabbie didn't even wait for his fiery-faced fare to turn completely away before he crossed himself. Shortly past nine o'clock, an hour after Edom and Jacob had gone, Barty came downstairs, book in hand. "The twisties are back." Apparently Maria wished that she'd brought a rosary to dinner. With the fingers of her right hand, she pinched the knuckles of her left, one after the other, as if they were beads. What if the stubborn, selfish, greedy, grubbing, vicious, psychotic, evil spirit of Thomas Vanadium, which had earlier pursued Junior through another alleyway in broad daylight, had followed him into this one in the more ghost-friendly hours of the night, and what if that spirit were standing just outside the Dumpster right now, and what if it closed the bifurcated lid and slipped a bolt through the latch rings, and what if Junior were trapped here with the thoroughly strangled corpse of Neddy Gnathic, and what if the flashlight failed when he tried to switch it on again, and then what if in the pitch-blackness he heard Neddy say, "Does anyone have a special request?" "Salt water would be too cumbersome anyway. He'd have to drink a lot of it shortly before he heaved, but he was surrounded by cops with good reason to keep an eye on him. Does ipecac come in capsule form?" Lipscomb shifted his gaze from the street below to the source of the rain. "Phimie was not gone long, perhaps a minute-a minute and ten seconds at most-and when she was with us again, it was clear from her condition that the cardiac arrest was most likely secondary to a massive cerebral incident. She was disoriented, paralysis on the right side ... with the distortion of the facial muscles that you saw. Her speech was slurred at first, but then something strange happened. . . .The poster announced an upcoming show, titled "This Momentous Day," by the young artist calling herself Celestina White. Dates for the exhibition were Friday, January 12, through Saturday, January 27. Intuition told Tom Vanadium that the removal of the paintings was significant, but he wasn't a talented enough Sherlock to leap immediately to the meaning of their absence. Evidently, the hero was accustomed to encounters of this nature. He rose, pulled out the unused fourth chair. "Please sit with us." Over potato soup and an asparagus salad, the dinner conversation got off to a promising start: a discussion of favorite potato dishes, observations on the weather, talk of Mexico at Christmas. WALLY HAD NOT gone home with Death, but they had definitely been at the dance together. "Will do. Check out those paintings he collects. People pay real money for them, even people who've never been in a looney bin." Off with the cap. Yellow capsules in the bottle, also blue. He managed to shake one of each color into the palm of his left hand without spilling the rest on the floor. "Crafty men need to stick together," he said. "Men who have no art at all, nothing but wealth-they pit us one against the other, for their gain not ours. We sell em our power. Why do we? If we went our own way together, we'd do better, maybe." Junior found no answers before the owner of the diner blocked him from proceeding out of the kitchen into the storeroom and the service alley beyond. Simultaneously sweating and chilled, Junior cursed him, and the confrontation became ugly. Dr. Zedd's death, just last Thanksgiving, had been a blow to Junior, a loss to the nation, to the entire world. He considered it a tragedy equal to the Kennedy assassination one year previous. "May 14, 1845, in Canton, China, a theater fire killed sixteen hundred seventy. On December 8, 1863, a fire in the Church of La Compana, in Santiago, Chile, left two thousand five hundred and one dead. One hundred fifty perished in a fire at a Paris charity bazaar: May 4, 1897. June 30, 1900, a dock fire in Hoboken, New Jersey, killed three hundred twenty-six. . . ." Her voice was flat and a little hard. Another man might have mistaken her tone for disapproval, for impatience, even for quiet anger. At nearly forty years of age, Edom still dreamed of that grim summer afternoon, although not as often as in the past. When it troubled his sleep these days, it was a nightmare that gradually metamorphosed into a dream of tenderness and hope. Until the last few years, he'd always awakened when the roses were being jammed into his mouth or when the thorns flicked through his eyelashes, or when Agnes began to strike their father with the Bible, thus seeming to assure worse punishment. This additional act, this transition from horror to hope before he woke, had been added when Agnes was pregnant with Barty. Edom didn't know why this should be so, and he didn't try to analyze it. He was simply grateful for the change, because he woke now in a state of peace, never with worse than a shudder, no longer with a hoarse cry of anguish. "Just now." Although Angel tried to sound nonchalant, she was trembling. "I'm not sure I can do it again." "Better. Fear doesn't require him even to seduce a woman or to buy a bottle of whiskey. He just needs to open himself to it, and he will be filled like a glass under a faucet. As difficult as this may be to comprehend, Cain would choose to be neck-deep in a bottomless pool of terror, desperately trying to stay afloat, rather than to suffer that unrelieved hollowness. Fear can give shape and meaning to his life, and I intend not merely to fill him with fear but to drown him in it." Her shaking threatened her composure. She was Barty's mother and father, his only rock, and she must always be strong for him. She clenched her teeth and tensed her body and gradually quieted the tremors by an act of will. He stepped into the house, quietly closed the front door, and examined the bottle. The glass was thick, especially at the base, where a large punt--a deep indentation-encouraged sediment to gather along the rim rather than across the entire bottom of the bottle. This design feature secondarily contributed to the strength of the container. Evidently he had hit her with the bottom third of the bottle, which could most easily withstand the

blow..Amused, Wally said, "You artists do love to dramatize-or have I forgotten the San Francisco blizzard of '65?".His silent tears accomplished what his words could not: Nork, Knacker, and Hisscus retreated, urging him to speak to his attorney, promising to return, once more expressing their deepest condolences, perhaps as abashed as attorneys and political appointees could get, but certainly confused and unsure how to proceed when dealing with a man so untouched by greed, so free of anger, so forgiving as the widower Cain.
