So they sailed south in Hopeful, landing first at malodorous Geath, and then in the guise of peddlers working their way from one islet to the next among the mazy channels. Crow had stocked the boat with better wares than most householders of the Isles were used to seeing, and Tern offered them at fair prices, mostly in barter, since there was little money among the islanders. Their popularity ran ahead of them. It was known that they would trade for books, if the books were old and uncanny. But in the Isles all books were old and all uncanny, what there was of them. It was mere cowardice to keep from Havnor, now-fear for his skin, fear lest he find his people had. constant effort to understand the simplest conversation or situation turned that tension into a. Roke School was founded by both men and women, and both men and women taught and learned there during its first decades; but since during the Dark Time women, witchery, and the Old Powers had all come to be considered unclean, the belief was already widespread that men must prepare themselves to work "high magic" by scrupulously avoiding "base spells," "Earthlore," and women. A man unwilling to put himself under the iron control of a spell of chastity could never practice the high arts. He could be no more than a common sorcerer. Male wizards thus had come to avoid women, refusing to teach them or learn from them. Witches, who almost universally went on working magic without giving up their sexuality, were described by celibate men as temptresses, unclean, defiling, essentially wicked. It may be that Segoy is or was one of the Old Powers of the Earth. It may be that Segoy is a name for the Earth itself. Some think all dragons, or certain dragons, or certain people, are manifestations of Segoy. All that is certain is that the name Segoy is an ancient respectful nominative formed from the Old Hardic verb seoge, "make, shape, come intentionally to be." From the same root comes the noun esege, "creative force, breath, poetry." other, higher tiers and levels.
